Disadvantage Business Enterprise (DBE) Goals
Fiscal Years 2023 - 2026

The East End District (“EED”) has set its Disadvantage Business Enterprise (“DBE”) goal for programs utilizing Federal Department of Transportation’s funds for fiscal years 2023 - 2026. EED is submitting a DBE FY 2023 - 2026 annual goal for construction services of 22% to the Federal Transit Administration, Region VI. Two-thirds of the goal (14% of total FTA-related construction projects) will be met through race-neutral methods and the remaining one-third (8% of total FTA-related construction projects) of the goal will be met through race-conscious methods. EED is also setting a DBE goal of 24% for professional services in FY 2023 – 2026. Two-thirds of the goal (17% of total FTA-related professional services) of the goal will be met through race-neutral methods and the remaining one-third (7% of total FTA-related professional services) of the goal will be met through race-conscious methods.

The DBE goal was developed in accordance with the processes described in CFR 49 Part 26. The public is encouraged to review the DBE goal document and provide comments. Copies of the DBE policy and the annual goal calculation are available for review during regular business hours for a 45-day period commencing Monday, October 31, 2022 and ending Thursday, December 15, 2022 at EED offices located at 3211 Harrisburg Blvd. Houston, TX 77003. Public comments regarding EED DBE goal will be accepted for forty-five (45) days ending December 15, 2022 from the date of this notice. Please mail or email comments to the attention of Veronica Chapa Gorczyński at the following address:
